169		Map - land of I. Jacobofsky at Breslau - Hanover Twp. PA - Part I
170		Map - land of I. Jacobofsky at Breslau - Hanover Twp. PA - Part II
171	02/21/13	Map - workings along property line (barrier pillar) - Pettebone Colliery (DL&W) and East Boston Coal Co. - Red Ash vein
172		Map - workings along property line (barrier pillar) - Pettebone Colliery (DL&W) and East Boston Coal Co. - Bennett vein
173		Map - workings along property line (barrier pillar) - Pettebone Colliery (DL&W) and East Boston Coal Co. - Ross vein
174		Map - workings along property line (barrier pillar) - Pettebone Colliery (DL&W) and East Boston Coal Co. - Cooper vein
177	02/17/11	Map - Plymouth, PA - proposals for viaduct - Main Street to Susquehanna River Bridge
178	02/17/11	Map - Plymouth, PA - proposals for viaduct - Main Street to Susquehanna River Bridge
179	02/17/11	Map - Plymouth, PA - proposals for viaduct - Main Street to Susquehanna River Bridge
180		Drawing - DL&W RR concrete viaducts - for comparison, Delaware River, Paulinskill, Martins Creek, Tunkhannock Creek
181		Map - Oxford Shaft and surface area leased to the Peoples Coal Co.
182		Map - coal lands deeded, assigned and sub-leased (Scranton) to the Peoples Coal Co. - Part I
183		Map - coal lands deeded, assigned and sub-leased (Scranton) to the Peoples Coal Co. - Part II
184		Map - Surface area under which the Peoples Coal Co. has mined Part I
185		Map - Surface area under which the Peoples Coal Co. has mined Part II
186	9/1/1899	Map - Oxford breaker and Washery site (10th and Washburn, Scranton)

Neg. No.	Date	Description
189		Map - mine working area - Clark vein (Oxford Colliery) - where Peoples Coal Co. may use necessary haulage ways
190		Map - mine working area - 4 ft. vein (Oxford Colliery) - where People Coal Co. may use necessary haulage ways
191		Map - mine working area - Diamond vein (Oxford Colliery) - where People Coal Co. may use necessary haulage ways
192		Map - mine working area - Big vein (Oxford Colliery) - where People Coal Co. may use necessary haulage ways
193		Map - mine working area - Rock vein (Oxford Colliery) - where People Coal Co. may use necessary haulage ways
194		Map - mine working area - New County vein (Oxford Colliery) - where People Coal Co. may use necessary haulage ways
196	12/13/13	Mining engineers - DL&W RR coal department - on steps of Scranton Passenger station
197	12/13/13	Mining engineers - DL&W RR coal department - on steps of Scranton Passenger station
198	09/03/14	Martins Creek viaduct, Kingsley, PA - under construction - (from old track level) F.M. Talbot - Contractor given by contractor
199	09/03/14	Martins Creek viaduct, Kingsley, PA - top decorated for aerial dance
200	09/03/14	Martins Creek viaduct, Kingsley, PA - aerial dance atop viaduct (night scene)
201	09/03/14	Martins Creek viaduct, Kingsley, PA - aerial dance atop viaduct (night scene)
202	09/03/14	Martins Creek viaduct, Kingsley, PA - top decorated for aerial dance
203	01/22/14	Martins Creek viaduct, Kingsley, PA - American Society of Civil Engineers group viewing progress - passenger train in foreground
204	01/22/14	Martins Creek viaduct, Kingsley, PA - American Society of Civil Engineers group viewing progress - from viaduct
205	01/22/14	Martins Creek viaduct, Kingsley, PA - American Society of Civil Engineers group viewing progress - from viaduct
206	01/22/14	Martins Creek viaduct, Kingsley, PA - American Society of Civil Engineers group viewing progress - from ground up
207	01/22/14	Martins Creek viaduct, Kingsley, PA - American Society of Civil Engineers group viewing progress - base work from pier
208		Passenger station, back view
209		Passenger station, back view and parking area
210		Passenger station, back view
211		Passenger station, 3/4 view Ithaca
212		Passenger station, waiting room
213	01/01/14	Member of Claims Department (photo cutouts)
215		Artists rendering - proposed passenger station - Orange, NJ
216	4/1913	Map - location - proposed bridge over Susquehanna River between Nanticoke and West Nanticoke
217		Plan - bridge over Susquehanna River between Nanticoke and West Nanticoke
218		Passenger train approaching on new double tracked straight "Pequest fill" - view from overpass

Neg. No.	Date	Description
219		Passenger train receding on new double tracked straight "Pequest fill" - view from overpass
220		Tunkhannock viaduct - completed - some construction material to be removed
221		Duplicate of 220
222		Tunkhannock viaduct - completed - some construction material to be removed
223		Tunkhannock viaduct - completed - first train (?) - locomotive and caboose
226		Map - Scranton, PA - tracks and structures map
227		Map - tracks of DL&W in vicinity of Scranton, PA (over city map)
228	10/25/13	Map - line map - between Gouldsboro with mile posts and Clarks Summit, PA
229	10/25/15	Map - Big or 14 ft. vein - mining done by Bullshead Mining Co. - map
230		Map - Bloomsburg Division right of way through Kingston, PA
234		Anthracite mine - set up at show inside building - 1916
235	04/01/17	DL&W band at stores building - Washington Ave., Scranton
239		August mine car weights 1863-1866-1895-1898 - above pea coal from same collieries
240		August mine car weights 1863-1866-1895-1898 - less pea coal from same collieries
241	02/15/16	Map - property to be sold to DL&W by P&ERR (PRR) - Sunbury Div. - for double track - West Nanticoke, PA
242		Map - Clark vein - mining by collieries - Brisbin, Diamond and Manville
243		Nicholson viaduct - from end with view of town - passenger train eastbound
244		Nicholson viaduct - from end with view of town - passenger train westbound
245		Nicholson viaduct - from end with view of town - passenger train westbound
246		Nicholson viaduct - from end with view of town - passenger train eastbound
247		Time and work sheet - for Frank Rubel, Dunmore vein - 1915 and 1916, hours, coal mined, etc.
248		Time and work sheet - for Frank Rubel, #1 Dunmore vein - 8-12/1916, hours, coal mined, etc.
249		Time and work sheet - for Frank Rubel, #1 Dunmore vein - 1-8/1917, hours, coal mined, etc.
250		Time and work sheet - for Peter Dobrish - bottom 14 ft. vein - 7/1914-6/1915
251		Time and work sheet - for Peter Dobrish - Dunmore vein - 8/1915-7/1916
252		Time and work sheet - for Peter Dobrish - #1 Dunmore vein - 1/1917-8/1917
253		Time and work sheet - for Frank Kosloski - #1 Dunmore vein - 8/1916-12/1916
254		Time and work sheet - for Frank Kosloski - #1 Dunmore vein - 1/1917-8/1917
255		Time and work sheet - for Frank Colasa - #1 Dunmore vein - 8/1915-7/1916
256		Time and work sheet - for Fred Cowley - #1 Dunmore vein - 8/1915-7/1916
257		Time and work sheet - for Joseph Moore - bottom coal - 8/1916-12/1916
258		Time and work sheet - for Alexander Puvitt - bottom coal - 8/1916-12/1916
261		Table showing shafts of DL&W collieries - sections in which hoist operated
262		Ferry boat - "Scranton" - (side view)
263		Ferry boat - "Binghamton" - (side view)
264		Ferry boat - "Scandinavia" - (side view)
265		Ferry boat - interior - upper deck

Neg. No.	Date	Description
266		Ferry boat - interior - lower deck
267		Engine #974 (4-4-0C) with passenger train (6 passenger cars) at signal (posed)
268		Engine #1101 - (1st of the DL&W Pacifics) side view
269		Station at "Water Gap"
270		"Phoebe Snow" on running board step - engine #974 (4-4-0C)
271		"Phoebe Snow" on running board step - engine #969 at Water Gap station
272		"Phoebe Snow" - in locomotive cab - camelback - engine #969 at Water Gap station
273		"Phoebe Snow" - on observation platform - with photographers
274	12/21/17	DL&W band concert at Scranton shop, freight noon
275	12/19/17	Kiwanis Club Christmas Carnival - Hotel Casey
276		Copy of drawing of "Spitfire"
277	1918	Map - mining to be done by Scranton Coal Co. - #3 Dunmore vein
278	1918	Map - mining to be done by Scranton Coal Co. - New County vein
279	1918	Map - mining to be done by Scranton Coal Co. - #1 Dunmore vein
280	1918	Map - mining to be done by Scranton Coal Co. - Clark vein
