Dear Shannon:

We are pleased to advise you that you have been accepted to Syracuse University's program in London, England, for the 1988 fall semester. You have been placed in the human development program.

In early April, you will receive a packet containing an instruction sheet, study abroad handbook, Intent to Register form, and various other forms for you to complete. At that time, you will be asked to make the \$300 non-refundable advance payment to reserve your place in the program.

If you have questions about the program, we encourage you to call our office. We look forward to welcoming you to our program next fall.

Sincerely,

Margaret L. Stone
Assistant Director
