## Requisites for Admission.

Candidates for admission to the Freshman Class are examined in the following studies :

1. English Grammar, Geography and History.
2. Arithmetic, and Algebra through Quadratic Equations.
3. Bullions' Latin Reader, six books of Virgil's *Aeneid*, Sallust, and Cicero's Select Orations.
4. Bullions' Greek Grammar, Bullions' Greek Reader, and the First Book of Xenophon's *Anabasis*.

Candidates for the Scientific Course, or Select Course, are examined in all the studies named above, excepting the Latin and Greek Languages.

Candidates for an advanced standing are examined in the preparatory studies, and in all those that have been pursued by the class they wish to enter, or in studies that may be deemed equivalent. It is very important that candidates should be thoroughly prepared in the requisites for admission, especially in grammatical and elementary knowledge. If they have more time than is required for such a preparation, it is desired, for obvious reasons, that they should not anticipate the books read in College, but direct their attention to other authors.

The regular examination for admission to College, takes place on the Monday immediately preceding COMMENCEMENT, and the Wednesday before the beginning of the Fall Term. Students will, however, be examined at such other times as may be appointed, when application shall be made. Satisfactory testimonials of a good moral character will in all cases be required, and Students coming from other Colleges, must present certificates of regular dismission.

No Student can be received for less than one entire Term ; and no one is permitted to enter the Senior Class later than the beginning of the third Term.

Special accommodation will be made for young men having the Ministry in view. Whenever a sufficient number of applications shall be made, classes will be taught by those connected with the College, in addition to their regular duties in Theological studies, and in the Hebrew and Greek Languages.

## DECLAMATIONS AND WRITTEN EXERCISES.

Declamations and Compositions alternately are required every week. Written Exercises in Latin and Greek are required of the Freshman and Sophomore classes.

## EXAMINATIONS.

At the close of every Term, each class is examined in the studies of the Term by a Committee appointed for that purpose. At the Annual Examination at

the close of the Spring Term, the classes are also examined in the studies of the year. The results of these Examinations have an important bearing on the rank of the student, and in some cases, on his continuance in College.

---

Prayers, with the reading of the Scriptures, are attended daily in the College Chapel. All Students are also required to attend Public Worship on the Sabbath; in the morning at one of the churches in the village, and in the afternoon in the College Chapel.

---

#### MERIT ROLL.

An account of the daily attendance, scholarship, conduct and delinquencies of every student is kept. The result, determining his place on the Merit Roll, is entered at the close of each Term on the Records of the College. A report of the standing and demeanor of students, will be sent to Parents and Guardians when requested.

---

#### DEGREES.

The Degree of Bachelor of Arts is conferred on all students who have completed the College Course, and sustained a satisfactory examination therein.

The Degree of Bachelor of Science is conferred on all students who give satisfactory evidence of the completion of the Scientific Course. No degree will be conferred unless all College dues are secured.

The Degree of Master of Arts is conferred on every Bachelor of Arts, of three years standing, who, in the interval, has sustained a good moral character. Application should be made personally or by letter, at least two weeks before Commencement.

The fee, including the Diploma, in each case, is five dollars, payable in advance.

---

#### DISCIPLINE.

The government is parental, and is designed to secure attention to study and correctness of deportment; not so much by enforcing rigid enactments, as by cultivating in the student a taste for intellectual pursuits. No student who

indulges in gaming, intemperance and other vices, no one who is frequently absent from his room at night, or who habitually neglects his studies, can be allowed to remain a member of the College.

There is a very large Cabinet of Natural History connected with the College, procured at an expense of several thousand dollars.

---

#### EXPENSES.

Perpetual scholarships, securing free tuition, may be procured for One Hundred Dollars. No scholarship is available until the conditions of the scholarship note are complied with. Certificates of claim, in all cases, must be presented during the first week of each Term.

The charge for tuition to those not having scholarships, is \$8.50 per Term. There is an additional charge of one dollar for each course of Lectures in Chemistry, and for each course in Electricity and Magnetism. A small charge is also made for the use of the Library and for Incidentals. The price of Board varies from \$2.12½ to \$2.50 per week.

The entire expense of a student, exclusive of Books and Incidentals, need not exceed \$100 per annum.
